General Information

As a general rule, we do not store any data when you use the services provided on our website. Your data is only collected if you intentionally share it with us, such as by filling out our contact form, making a reservation, or subscribing to our electronic newsletter. In such instances, your personal information (such as email address, postal address, etc.) is used solely for individual correspondence, providing customer support for our services, responding to your inquiries, and distributing informational materials. Your data is treated as confidential and is not disclosed to third parties. Only in exceptional cases, upon request, will your data be transferred solely for the purpose of fulfilling the tasks of service providers (such as charter companies, carriers, harbourmaster's offices, banks).

Additionally, during your visit to the website, certain technical data (such as internet browser, operating system, or time of visit) is automatically recorded. This data is anonymised and used solely to enhance the user experience, improve the efficiency of our website, and enhance our overall offer.

Electronic Newsletter

You will only receive our electronic newsletter if you give explicit consent. Your data will be stored until you withdraw your consent or unsubscribe from the newsletter. Of course, you can withdraw your consent to receive the electronic newsletter at any time.

Cookies

Our website uses cookies, small text files stored by your browser to enable anonymous identification. While you have the option to reject or delete cookies in your browser settings, please note that this may impact the functionality of our site.

Google Analytics

We use Google Analytics for analysis purposes. Google Analytics also uses cookies to collect information about website usage, which is usually transmitted to Google servers in the United States for storage.

According to the Google Analytics terms of use, which we are obligated to follow, no personal data should be transmitted to the server. Personal data comprises any information that could identify an individual, such as their name, surname, email address, and payment details.

For further details about Google Analytics, please consult Google's Privacy Statement: [Privacy Statement](#).

To prevent the tracking of your data within Google Analytics, you can disable tracking by downloading and installing a browser extension. This action will ensure that your data is not tracked during subsequent visits: [disable Google Analytics](#).

We are committed to safeguarding your personal data in accordance with the General Data Protection Regulation (GDPR). If you have any concerns regarding the handling of your personal data, please don't hesitate to contact us. We will make every effort to improve the protection of your data.

We appreciate your trust and look forward to our future collaboration.

Yours sincerely,

Marina Kaštela
