- Sailing club with facilities for commercial and sports regattas, and the à la carte Spinnaker
- Restaurant Nautic
- BavAdria Cafe Bar
- Supermarket
- Shop with nautical equipment
- Luggage storage
- 437 parking spots
- Free WiFi
- Self-service laundry
- Weather station
- Sailing clothing store

Marina Kaštela Sailing Centre

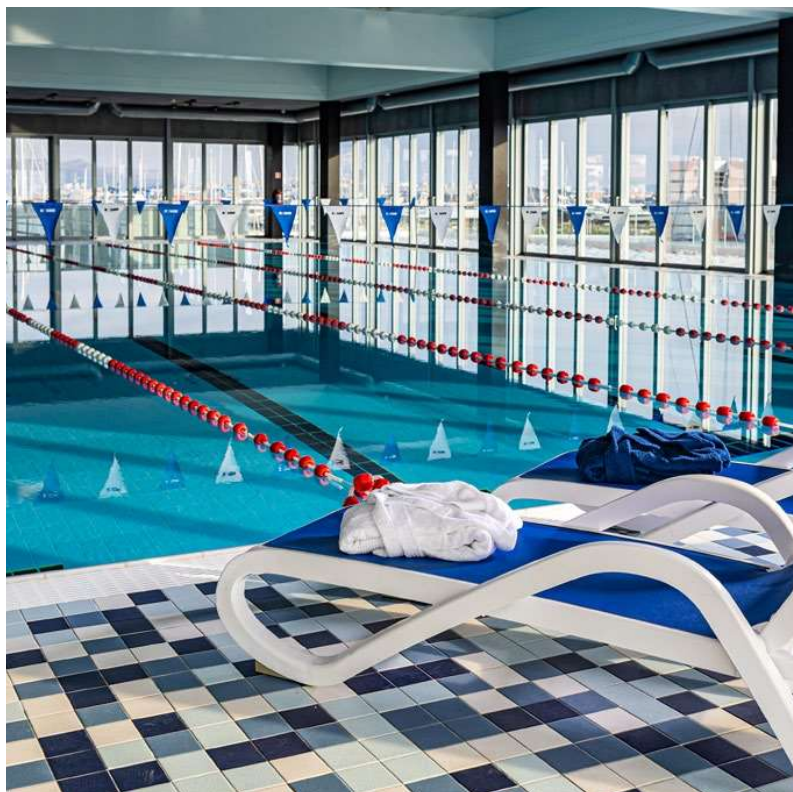

INFO
info@marina-kastela.hr

The infrastructure of the centre has been designed to meet all the requirements for organising sports and commercial regattas. It is also suitable for hosting all kinds of events with a large number of visitors.

The trend to use picturesque locations for all kinds of events in picking up globally. In this regard, Marina Kaštela offers a beautiful seafront location with an area of 3800m2, the high-end Spinnaker restaurant with a special event hall, and modern regatta infrastructure. This makes Marina Kaštela's sailing centre the perfect place for mingling and enjoying all kinds of occasions. From family and business gatherings to cultural events, weddings, premieres, concerts and expos, this magnificent space is bound to satisfy all your needs. Its innovative architectural and multifunctional solutions, VIP terrace, outdoor grill kitchen and on-site parking make this one of the most stunning venues in all of Dalmatia.

ern regatta infrastructure. This makes Marina Kaštela's sailing centre the perfect place for mingling and enjoying all kinds of occasions. From family and business gatherings to cultural events, weddings, premieres, concerts and expos, this magnificent space is bound to satisfy all your needs. Its innovative architectural and multifunctional solutions, VIP terrace, outdoor grill kitchen and on-site parking make this one of the most stunning venues in all of Dalmatia.

A pool with a view

A sports pool intended for fitness and recreation is located in the heart of Marina Kaštela. The modern glazed building is an ideal venue for family gatherings and serious trainings throughout the year. The pool is open for guests of the Marina Kaštela, citizens and sports clubs. The 25-metre-long indoor pool with 6 lanes has a depth of 1,55 to 2,55 m, with a water temperature of 27°C.

The youngest can enjoy a separate children's pool. You can pay for the use of the pool upon arrival or opt for one of our monthly memberships, while users of the private annual berth in the marina can use of the pool for free.

Spinnaker Restaurant

INFO
+385 (0)21 204 028
+385 (0)99 355 9311
spinnaker@marina-kastela.hr

Located in the eastern part of the breakwater with the sailing centre, the restaurant features a one-of-a-kind culinary experience in a modern setting that seats 90 guests inside and 60 guests outside.

Inspired by calm seas and panoramic vistas, our well-coordinated team will take you on a journey that blends traditional Dalmatian flavours with contemporary cuisine, paired with top quality local and foreign wines.

We are committed to providing you with seasonal produce, fresh fish sourced

from local suppliers and carefully prepared dishes.

Special attention is given to vegetarian or gluten-free ingredients, plating techniques and dish presentation, thus taking our service to the next level.

To make sure that the yachtsmen enjoy their dining experience to the fullest, our restaurant also features mooring services. If you are looking to host a memorable private or business event such as a product presentation, a wedding or a regatta, the Spinnaker Restaurant, together with the sailing centre, is a fantastic option.

Nautic Restaurant

* Photo: hopestudio.de

A modern banquet hall with a capacity of up to 300 guests and a terrace with an open view of the sea is a unique and special location for your celebrations. Your wishes become reality in the Nautic Restaurant regardless of whether you want an intimate dinner or a lavish reception. Select a menu or create one with our culinary team and we will prepare specialties for you in accordance with your selection and wishes. We pay special attention to the design and aesthetics for catering services. Our professional personnel will help you with the smallest details. With our common ideas, the event is sure to have its own personal style.

Come and tell us your wishes and we will make sure that your most important day is unforgettable – just as you have imagined it.

Wet Berth / Dry Berth Private Vessels

Annual wet berth for private vessels price includes:

- Wet berth
- Around-the-clock protection and monitoring of vessels; video surveillance
- Separate sanitary facilities for vessel owners that are accessed with silicone chip wristbands
- Sanitary facilities for disabled people
- Use of the swimming pool
- One parking space per vessel
- Use of storage – depending on availability
- Weather forecast available in four languages at the front desk
- WLAN

Additional fee for dry berthing

- Extra charge for dry berthing is an integral part of the annual wet berth agreement and it cannot be contracted at a later date.
- The maximum period of an extra charge for dry berthing is 6 months until the expiry of the contractual period.
- This service is paid upfront, i.e. solely at the conclusion of a berthing agreement.
- The extra charge for dry berth includes one lifting and one lowering operation for the vessel, vessel bottom wash and use of a cradle during the agreed period and does not include catamarans and trimarans.

Annual dry berth for private vessels price includes:

- Dry berth
- Cradle
- Two vessel lifting and two vessel lowering operations - except for catamarans and trimarans
- Two vessel bottom washes with a high-pressure pump - except for catamarans and trimarans
- Separate sanitary facilities for vessel owners that are accessed with silicone chip wristbands
- Around-the-clock protection and monitoring of vessels; video surveillance
- Use of the swimming pool
- Use of storage – depending on availability
- Weather forecast available in four languages at the front desk
- One parking space per vessel
- 50% discount for daily wet berth pursuant to a valid agreement for annual dry dock berthing
- Option for longer stay at wet berth depends on availability of capacities

Semmi annual dry berth agreement

- This agreement includes 2 crane operations and 1 vessel wash.
- The crane is not included in the berthing price for catamarans and trimarans.

Special Summer Offer

* discounts do not add up

* only for private vessels

Additional information for private vessels

- The annual berth agreement for private owners may start with the date of arrival of the vessel at the berth providing that the agreement continues for the first following period for annual berth pursuant to the time periods listed in the price list.
- The fee for vessels berthed up to two hours amounts to 50% of the daily berthing price.

Auxiliary vessels:

- Auxiliary vessels are vessels of up to 2.5 m in length.
- The user of the annual berth agreement undertakes to enter into a berthing agreement for an auxiliary vessel which uses a separate berth.

General information

- For vessels sailing into the marina in the period between 7 am and 12 am of the same day, the daily sea berth fee covers the stay in the marina until 2 pm on the following day. For vessels sailing into the marina at night, in the period between 12 am and 7 am, the daily berth expires at 2 pm on the same day.
- After 2 pm the berth is charged for the following day.
- Prices for berthing and washing with a high-pressure pump are increased by 100% for catamarans and trimarans.
- Monthly wet berth services are not available during June, July, August and September.

We grant a 30% discount for daily wet berth in the season, if the vessel stays at the berth more than 30 days continuously.

20% discount on monthly and daily dry berthing for privately-owned vessels in the period from 01 June to 01 November.

Regatta of more than 10 vessels – 10% discount.

Regatta of less than 10 vessels – 5% discount.

10% discount on daily wet berths from Sunday at 2:00 PM to Friday at 2:00 PM, available from June 1st to August 31st, for vessels up to 20.99 meters in length.

- The Marina reserves the right to verify vessel dimensions.
- If the maximum length or beam of a vessel exceeds a certain category, the price of a suitable category will be charged. Prices are calculated as per length over all (LOA) bases.
- Use of connections for electricity and water at an extra charge.
- Manual water regulators, i.e. water spray guns, must be used when washing vessels.
- Vessel washing is calculated at a flat rate of the water consumed pursuant to this price list.
- Crews of vessels that are located on land are not allowed to spend the night on the vessel.
- Pursuant to Article 77, paragraphs 3 and 4 of the Ordinance on the Terms and Methods of Maintaining Order in Ports and Other Parts of Internal Waters and Territorial Sea of the Republic of Croatia (Narodne novine, NN; Official Gazette of the Republic of Croatia № 72/2021), Marina Kaštela will collect indirect fees for the acceptance of waste regardless of the actual delivery of waste for: boats and yachts that have concluded a berth use contract (in a lump sum amount of 1% of the berth use fee) and boats and yachts in transit, when entering the port (in a lump sum amount of 1% of the berth price).

Contractual period for commercial vessels:

01 April 2025 – 31 March 2026

Annual wet berth for commercial vessels include the following

- Wet berth
- Use of sanitary facilities
- Sanitary facilities for disabled people
- Two parking spaces per agency-charter fleet
- WLAN

Information for vessels in commercial use:

- Daily berthing for a period of up to 2 hours is not available for vessels in commercial use, i.e. they will be charged with a daily wet berth commercial fee and a flat rate of EUR 70 for check-in and check-out, regardless of the length of their daily stay in Marina Kaštela.
- An additional fee for dry berthing for all catamarans and trimarans in commercial use is as per agreement.
- All agencies based in Marina Kaštela can also use a Travel Lift Pass agreement (does not include catamarans and trimarans).
- An annual berth agreement for commercial vessels, which are not part of the fleet of the agency operating in the marina, may start on the date the vessel arrives at berth with the approval of the Management.
- Manual water regulators, i.e. water spray guns, must be used when washing vessels. Vessel washing is calculated at a flat rate.

Notes

- Travel lift use on bands for 30 minutes is charged as a single operation. The use over 30 minutes is charged as two operations.
- Lifts for catamarans and trimarans are not included in the berth price.
- Mast installation does not include mast adjustments.
- Lowering a vessel from a transport vehicle to the carrier is charged as a single operation.
- Vessel land transport (via so-called carello) is not included in the berth price.
- Own cradles (except trailers) are not permitted for technical reasons.
- Maintenance works on the vessel are allowed only within the maintenance area of the marina.
- All external associates must report to the front desk upon arrival at the Marina.
- Lowering / lifting of vessels must be announced 3 days in advance.

If the service department of Marina Kaštela carries out light sanding of the underwater part of the hull and painting with antifouling paint, the user will be granted seven days of dry berthing free of charge.

LOYALTY PROGRAMME

The Marina Kaštela loyalty card offers a number of benefits

Together with our business partners, we have developed a package of services in an effort to express our gratitude to our loyal customers, as well as to attract new long-term clients.

The Loyalty programme is open to owners of privately-owned vessels that have been berthed at Marina Kaštela for a consecutive period of three years or more and who have settled their invoice within due date.

Loyalty card discounts:

- Loyalty period discount for the agreement:
More than three years – 3% discount
More than six years – 6% discount
More than twelve years – 8% discount
- Spinnaker restaurant – 10% off
- Nautical store Wasi d.o.o. – 20% off
- Lift service (not applicable for catamarans and trimarans) – 10% off

Technical service

In the service part of Marina Kaštela, we offer dry berth for all types of vessels, including catamarans, as well as the use of the service area for regular maintenance, repairs and servicing of your vessels, and equipping of new vessels. The service area has 150 dry berths and is available all year round.

You are welcome to contact our expert team and request a personal offer for your vessel: servis@marina-kastela.hr

* Any visit by external service and maintenance technicians must be reported to the front desk of the marina.

The following is available in the service area:

- 60-ton travel lift (the acquisition of a 200-ton travel lift is already underway)
- 5-ton crane
- a new 60-ton and 40-ton carello for safe transportation of vessels by land
- cradles for all types of sailboats
- forklift
- storage of hazardous and non-hazardous waste
- rental of storage space
- bathrooms
- parking

We cordially invite you to visit our SEGELTREFFPUNKT location in Graz, where events are organised for all friends of sailing during the winter months.

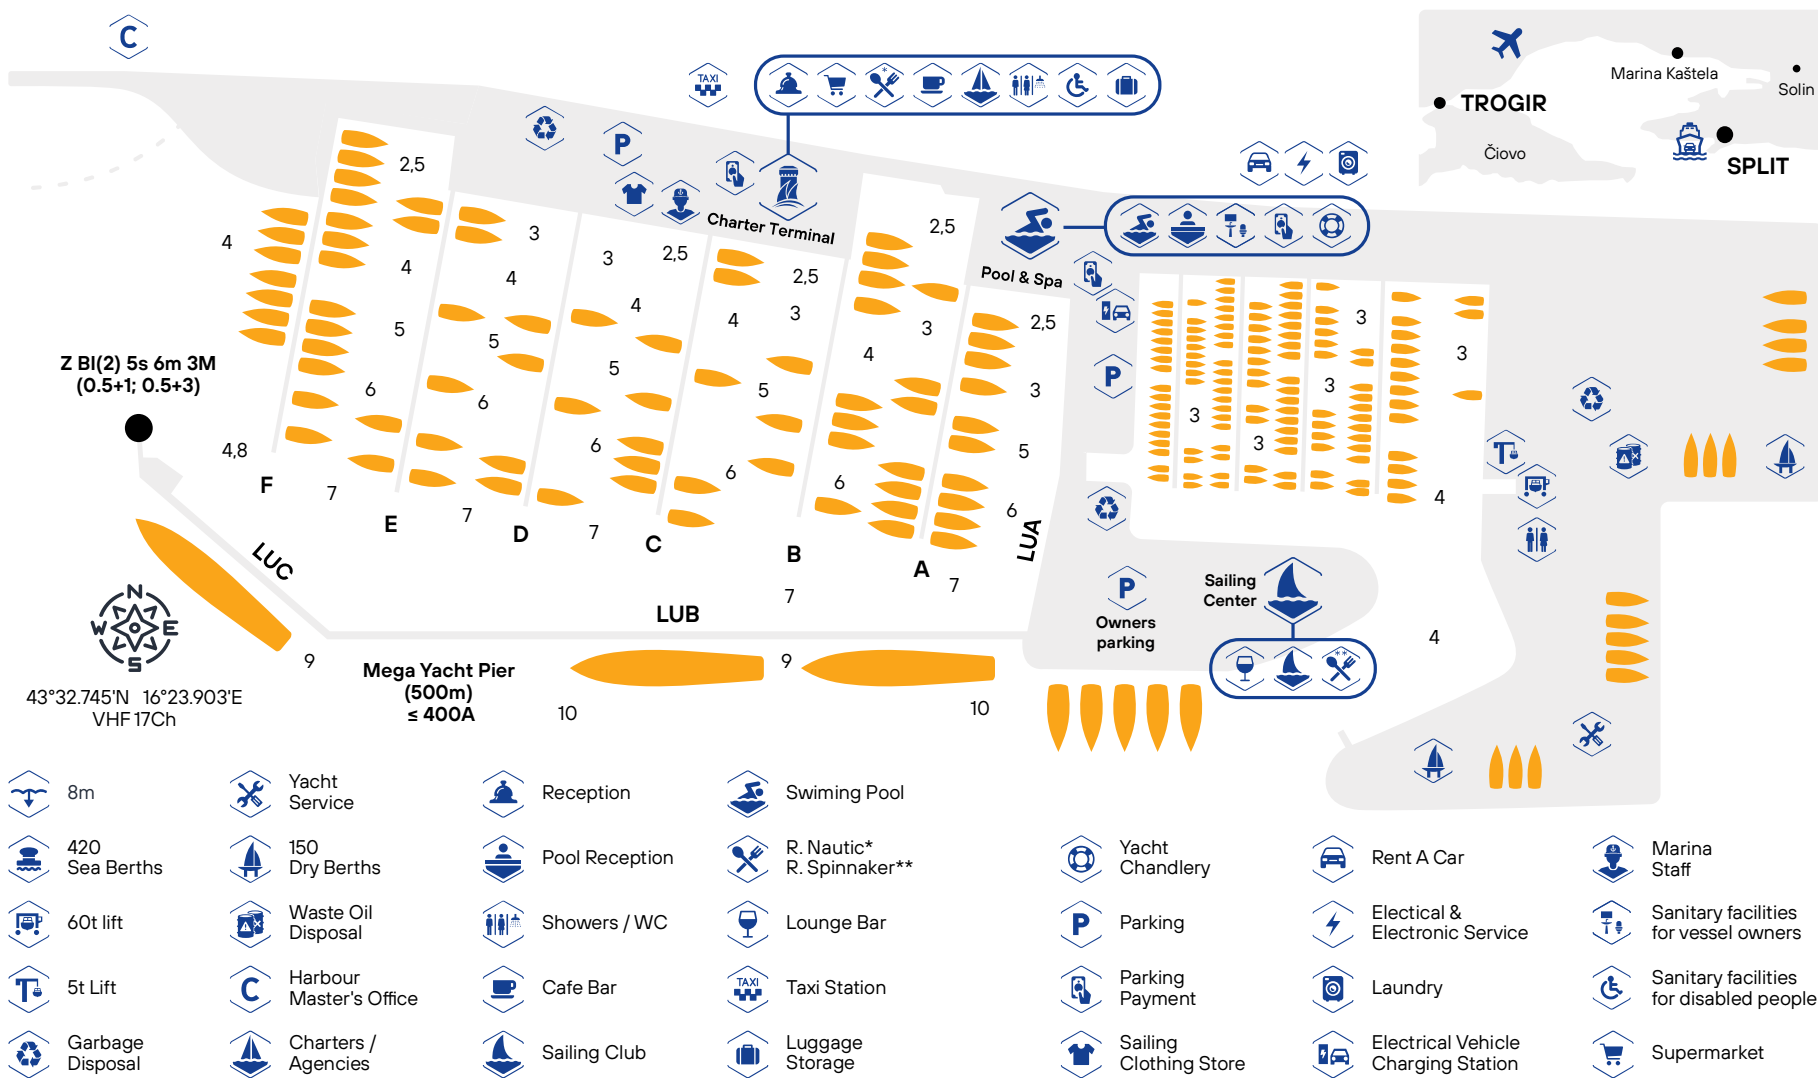

**Your direct partner
in Graz & Kaštela**

BavAdria is the sister company of Marina Kaštela and one of the leading charter companies in Croatia. Both companies guarantee top service for their customers. They are also committed to giving back to the community. As the main sponsor, they support numerous local sports clubs and initiatives, including the well-known 'Mirno More Peace Fleet' - the largest socio-educational project in Europe.
